122.23: Formal Requirements of Pleadings and Documents to be Filed with the Commission.

**File format standards.**

(1) Electronic filings shall be made using the [e-filing file format](#), used to create and edit the file, unless the native file format is not on the current list of preferred file formats maintained by the commission referenced in paragraph (3) of this subsection. Microsoft Word spreadsheets shall have active links and formulas that were used to create and manipulate the data in the spreadsheet. An application that fails to include the native file format is materially deficient.

**Note:**  
The PUC accepts many common file types: Word, PowerPoint, Excel, PDF, text files, etc.  
There is a limit of 250 individual files per filing, with a total file size limitation of **200 MB**.  
If you have any questions about the types of files you can submit, or the size limitations, please contact the PUC Help Desk at (312) 938-7100.

**Please attach documents to your filing in the order in which you would like them to be filed.**  
The documents you attach in Filer will be processed into a single PDF in the order in which the documents were attached.  
Therefore, if you attach a PDF and Word version of the same document, they will both end up in the PDF record copy that has a time stamp.
